ARTWORK TEMPLATE

Stretch Table Cover

6' table

Print size with bleed: 135.75" x 92.68"

- Bleed edge: extend your background to this line
- Safe line: keep text and logos inside
- Fold, seam or panel edge

1. Put your design on its own layer under this one.
2. Extend the background all the way to the magenta line.
3. Keep text, logos and faces inside the dashed line.
4. Use CMYK color, images at 150 ppi; outline or embed fonts.
5. Delete this TEMPLATE GUIDES layer, then save as PDF or JPG.
6. Upload it on the product page with your quote request.

Each panel is printed and sewn separately. Extend your background to the solid panel edge; keep important content inside the dashed lines.
