ARTWORK TEMPLATE

Table Throw

6' table, 3-sided (open back)

Print size with bleed: 128.50" x 65.00"

- Bleed edge: extend your background to this line
- Safe line: keep text and logos inside
- Fold, seam or panel edge

1. Put your design on its own layer under this one.
2. Extend the background all the way to the magenta line.
3. Keep text, logos and faces inside the dashed line.
4. Use CMYK color, images at 150 ppi; outline or embed fonts.
5. Delete this TEMPLATE GUIDES layer, then save as PDF or JPG.
6. Upload it on the product page with your quote request.

Fold lines are shown. Put your logo and message inside the FRONT safe viewable area; it is what people see when the cover is on the table.
