METRO DIGITAL

ARTWORK TEMPLATE

Velcro Fabric Pop Up

10' curved

Print size with bleed: 134.07" x 89.57"

- Bleed edge: extend your background to this line
- Safe line: keep text and logos inside
- Fold, seam or panel edge

1. Put your design on its own layer under this one.
2. Extend the background all the way to the magenta line.
3. Keep text, logos and faces inside the dashed line.
4. Use CMYK color, images at 150 ppi; outline or embed fonts.
5. Delete this TEMPLATE GUIDES layer, then save as PDF or JPG.
6. Upload it on the product page with your quote request.

Three pieces: front and two side end caps. 2 in. bleed. Keep important content inside each dashed box.
